## ===== HOJA's Show =====

Businesses across Western Canada are enjoying HOJA's show at their **Staff Parties, Conferences, Client Appreciations**, and other **Company Events**.

Whether you're looking for a fun stage show to energize and entertain your guests or background music while they are arriving & socializing, HOJA can help make your event the best it's ever been by performing familiar, well-loved songs in their unique acappella style.

The repertoire & performance is tailored to the ages in attendance, whether a wide range like 20-65, mostly thirty-somethings, or even an all ages family event. HOJA is the perfect choice if you have a wide age range as few other entertainers can appeal to such a variety of tastes.

We are happy to discuss with you what combination of repertoire types would best suit your audience, including:

**Traditional Acappella** - including acappella standards like Lion Sleeps Tonight, Coney Island Baby, Stand By Me, Brown Eyed Girl, Beatles Medley, Lean on Me

**Country Acappella** - including Fishin' in the Dark, I'm in a Hurry, Something Like That, Folsom Prison Blues

**70's & 80's** - including Sweet Dreams, Stayin' Alive, 500 Miles, Down on the Corner

**Modern Acappella** - including beat-boxing & imitating instruments. Many people cannot believe the full band sound created by just three singers using only their voices, and they even demonstrate to your guests how to do a few of the sounds for themselves!

*"HOJA not only puts forward a top notch, fun-filled, entertaining show every time they perform, but they are also one of the best acts to work with off-stage."*

- Brent Klooble, Events Edge Entertainment

*"With such a diverse audience it can be difficult to please all in attendance, but HOJA had everyone engaged. A pleasure to work with, and they went out of their way to ensure the crowd would enjoy it."* - Chelsea Wright, AREVA Resources
