

VELVET HAND

Velvet Hand has been a huge hit at community events & festivals, and would be a great feature act or secondary stage act at your fair.

With 5 hours of material and a variety of differently-themed shows to choose from, **Velvet Hand** can help you give your guests the classy, high quality live-music experience that a generic cover band simply can't deliver.

The band offers a variety of shows to select from depending on your guests' tastes and preferences. You can stick with a single theme or mix it up throughout the day's performances:
