

VELVET HAND

Velvet Hand has been a huge hit at **corporate events, staff parties, community events & festivals.**

With 5 hours of material and a variety of differently-themed shows to choose from, **Velvet Hand** can help you give your guests the classy, high quality live-music experience that a DJ or generic cover band simply can't deliver.

== Velvet Hand's Show ==

The band offers a variety of shows to select from to cater to your event theme or your guests' tastes and preferences:

Beatles Tribute Show

Velvet Hand is committed to faithfully reproducing the sound & live energy of the Beatles. They don't wear wigs or put on Liverpudlian accents, but lead singer Pete Oldridge's performance has been praised by CBC as "eerily like the Beatles". Their re-creation of the songs & energy of the Fab Four is a hit with Beatles fans everywhere. See if your guests can stump them with a Beatles request they can't play!

60's Revival Show

This show features a variety of artists & hit songs from the 50's & 60's. See pg 2's repertoire sample to give you an idea of the nostalgia and memories you'll recreate for your guests.

Traditional Cover Song Night

Top 40, classic rock, oldies, country, & contemporary songs – the band can tailor the repertoire to your audience.

Rockband Karaoke Night

Your guests become the stars of the show as they join the band onstage to sing their favorite songs. A much classier & fun experience than a traditional karaoke party – your guests get to see what it's like to be the lead singer onstage as a member of a rock band.

"Dynamic and versatile, with incredible music covering various genres and eras, I found them to be utmost professionals. Their sound is tight and their vocals are strong. They have great stage presence and ability to read the crowd, engaging their audience with humour and ease. They will be my first call whenever I need a band!"
