

JAYDEE HYPNOTIST

Clean. Classy. Funny. With 14 years of experience as a stage hypnotist and another 5 as an improv and stand-up comic, JayDee's stage hypnosis show has been the **highlight of hundreds of fairs and festivals.**

He has performed all over Canada and the US, including headlining at the prestigious Riviera Hotel in Las Vegas.

===== JayDee's Show =====

JayDee only performs one type of stage hypnosis show: **clean, classy, and funny.** If you want an adult rated show, please find another hypnotist. It is JayDee's belief that no-one in the audience should be fooled & volunteer for a show they think is clean but is not.

JayDee is **completely respectful to his volunteers & audience.** He never forces anyone onstage, and he avoids hot-button topics such as political, sexual, & religious themes. The volunteers do perform hilarious antics that everyone in the audience will enjoy, but the show never crosses the line into inappropriateness.

"JayDee was very easy to work with and consistently drew a big audience every night, engaging everyone watching or walking past the stage. He captivated the audience and had the crowd laughing from start to end."

- Nevis Goruk, Whoop Up Days, Lethbridge, AB

"The crowds started gathering over an hour in advance, culminating in standing room only for every show!"
