

JAYDEE HYPNOTIST

With 10 years of experience as a stage hypnotist and another 5 as an improv and stand-up comic, **JayDee's** stage hypnosis show has been the highlight of **hundreds of corporate and community events**.

He has performed all over Canada and the US, including headlining at the prestigious Riviera Hotel in Las Vegas.

===== JayDee's Show =====

Organizations all across North America have enjoyed JayDee's hypnosis show at **Staff Parties, Conferences, Festivals, Fundraisers, and Community Events**.

JayDee's hypnosis show is a truly interactive experience for your guests, so much more fun than other types of entertainment where they simply sit and watch. The volunteers are the stars of the show, inducing side-splitting laughter for their friends & co-workers in the audience and creating memories that will last a lifetime.

JayDee only performs one type of stage hypnosis show: clean, classy, and funny. If you want an adult rated show, please find another hypnotist. It is JayDee's belief that no-one in the audience should be fooled & volunteer for a show they think is clean but is not.

JayDee is completely respectful to his volunteers & audience. He never forces anyone onstage, and he avoids hot-button topics such as political, sexual, & religious themes. He keeps the show classy –the volunteers do perform hilarious antics that everyone in the audience will enjoy, but since they are all co-workers and neighbors the show never crosses the line into inappropriateness.

JayDee is a certified hypnotherapist & extensively trained in stage hypnosis, with over 250 hours of training. His experience as a stand-up comic ensures that your guests laugh harder than they've ever laughed before.

"His ability to deliver ad-lib comedy was remarkable and ingenious. He enthralled the crowd, providing over 170 employees with a night to remember. The evening was mesmerizing and a huge success"
- Linda Letendre, City of Edmonton

"We found him to be professional, reliable and absolutely hilarious - he made everyone laugh with good, clean stories and humor. The hypnosis show was incredibly enjoyable and we liked the fact that he was also a great DJ. This saved us money and time, and kept people at the venue longer.
