"MIND READING??? That sounds kind of scary - what exactly do you mean?"

It's not scary, just REALLY cool! During the show, people think of specific "targets" like a city they have visited, a celebrity they admire, a drawing they can visualize - and using charm, comedy, and quite a lot of MIND MAGIC, Louis reveals each and every one of their thoughts!

Your guests are STARS in the show!

Up to 20 audience members actively take part in a variety of different demonstrations. There are also sequences involving literally EVERYONE in the room - while in the comfort of their chair, laughing and applauding along with the crowd. Everyone can participate as much or as little as they prefer!

MIND MAGIC will make your event stand far out from the rest of the pack - long remembered by everyone attending.

PLEASE NOTE: Louis makes it very clear that all participants will be treated with respect and courtesy.
