

# MATT FALK

**Matt Falk** has been called "Effortlessly Funny" by the CBC, and his comedy album "Apple Pie & Scars" reached #1 on the iTunes Comedy Charts. For over a decade his clean comedy act has gained him many accolades, including placing **2nd in The World Series of Comedy** in Las Vegas and appearing at the prestigious **Just For Laughs Comedy Festival** in Montreal.

## === Matt Falk's Show ===

**Matt Falk** is an award-winning comedian who's been internationally recognized ... and he also happens to be clean! Which makes him a great fit for **Staff Events, Client Appreciations, Christmas Parties, and other Corporate Functions**. As the Dowager Countess from TV's Downton Abbey has noted, "Vulgarity is no substitute for wit".

With unique takes on relationships, health & exercise, and other anecdotes from daily life, Falk's energy never flags for a second throughout the show. His big presence and enormous voice speeds the audience from lead-ins to pitch-perfect punch lines again and again. Most enjoyable are Falk's self-deprecating anecdotes where he humanizes the man behind the performer, and lets the audience in on laughing at themselves as they identify with his foibles.

**Don't just take our word for it, here's what some really funny people have to say about Matt:**
